

# There's A Thug In My Life

Rihanna

Gotta keep it on the down low, I'll never let my mama know  
Only call him on my cell phone, only see him after dark  
I met him on the 6 train, just the way he said my name  
The brotha had a lot a game and he opened from the start  
He scoops me up in his ride, Friday about a quarter to 9  
So fly and so fine, and I'm so glad that he's all mine

There's a thug in my life, how'ma gonna tell my mama  
She gonna say it ain't right, but he's so good to me  
There's a thug in my life, and it's gonna cause crazy drama  
I'm gonna see him tonight, I'm gonna give him everything

I know his crew is kinda shady  
Sometimes it gets kinda crazy  
But he treats me like a lady, gives me everything I need  
I don't care who's hating on me 'cause every night he's waiting on me

He's got mad personality, a side they never see  
My friends tell me to slow down, but everytime that he's around  
My heart don't lock down, I feel love and I'm so proud

There's a thug in my life, how'ma gonna tell my mama  
She gonna say it ain't right, but he's so good to me  
There's a thug in my life, and it's gonna cause crazy drama  
I'm gonna see him tonight, I'm gonna give him everything

T-H-U-G in ya life baby  
One in a million that's what you are to me  
And I know your friends say I'm rough  
But I still got that tender touch just to make u giggle and blush  
But ya mom does not approve of us  
She needs to be a lot more understanding  
'Cause all I have for you is thug loving and loving that's all I'm giving

Mama don't worry, I'm not in a hurry  
I won't disappoint you, I won't make you sorry  
He's the one for me  
We'll be together from now 'till forever  
I know it's the real thing if you don't whatever  
And I know it's meant to be

There's a thug in my life, how'ma gonna tell my mama  
She gonna say it ain't right, but he's so good to me  
There's a thug in my life, and it's gonna cause crazy drama  
I'm gonna see him tonight, I'm gonna give him everything

Mama dont worry, I'm not in a hurry  
I won't disappoint you, I won't make you sorry
