Less Of Me

Roger Miller

Let me be a little kinder Let me be a little blinder To the faults of those about me Let me praise a little more

Let me be when I am weary Just a little bit more cheery Think a little more of others And a little less of me

Let me be a little braver When temptation bids me waiver Let me try a little harder To be all that I should be

Let me be a little meeker With the brother that is weaker Let me think more of my neighbor And a little less of me

Let me be when I am weary Just a little bit more cheery Let me serve a little better Those that I am striving for

Let me be a little meeker With the brother that is weaker Think a litle more of others And a little less of me
