Time After Time

Ronan Keating

Lying in my bed I hear the clock ticking, Think of you Caught up, in circles Confusion, is nothing new Flashback, warm nights Almost left behind Suitcase of memories, Time after...

Sometimes you picture me I'm walking too far ahead You're calling, to me I can't hear, what you've said Then you say - go slow I fall behind The second hand unwinds

If you're lost you can look and you will find me Time after time If you fall I will catch you I'll be waiting Time after time

If you're lost you can look and you will find me Time after time If you fall I will catch you I'll be waiting Time after time

After my picture fades and darkness has turned to gray Watching through windows, you're wondering, if I'm OK Secrets, stolen, from deep inside The drum beats out of time

If you're lost you can look and you will find me Time after time If you fall I will catch you I'll be waiting Time after time

You say, go slow, I fall behind The second hand unwinds

If you're lost you can look and you will find me Time after time If you fall I will catch you I'll be waiting Time after time

If you're lost you can look and you will find me Time after time If you fall I will catch you I'll be waiting Time after time

... Time after time
Time after time
Time after time
Time after time ...
