

# What In The World

Rory Gallagher

What in the world,  
What in the world am I gonna do?  
What in the world,  
What in the world am I gonna do?

My best girl packed up to leave me,  
She knew I did not want her to.  
Yeah...

See me early in the morning,  
Crying last thing at night.

See me crying early in the morning,  
Moaning last thing at night.

My woman packed up and leave me,  
I can't do a thing right.

Where in the world,  
Where in the world am I suppose to go?  
Where in the world,  
Where in the world am I suppose to go?

I'll find someplace,  
I'll be sure to let you know.  
Yeah...

What in the world,  
What in the world am I gonna do?  
Where in the world,  
Yeah... that's right, right  
What in the world am I gonna do?

My best girl packed up and leave me,  
She knew I did not want her to.  
Knew I did not want her to.
