

# The Continental

Rosemary Clooney

It's something daring, the Continental  
A way of dancing that's really ultra new  
It's very subtle, the Continental  
Because it does what you want it to do

It has a passion, the Continental  
An invitation to moonlight and romance  
It's quite the fashion, the Continental  
Because you tell of your love while you dance

You kiss while you're dancing  
It's Continental, it's Continental  
You sing while you're dancing  
Your voice is gentle and sentimental  
You'll know before the dance is through  
That you're in love with her and she's in love with you  
You'll find while you're dancing  
That there's a rhythm in your heart and soul  
A certain rhythm that you can't control  
And you will do the Continental all the time
