

# I Love You Because

Roy Acuff

I love you because you understand, dear  
Every single thing I try to do  
You're always there to lend a helping hand, dear  
I love you most of all because you're you

No matter what the world may say about me  
I know, your love will always see me through  
I love you for the way you never doubt me  
But most of all I love you 'cause you're you

I love you because my heart is lighter  
Every time I'm walking by your side  
I love you because the future's brighter  
The door to happiness you've opened wide

No matter what the world may say about me  
I know, your love will always see me through  
I love you for a hundred thousand reasons  
But most of all I love you because you're you
