

# Run, Baby, Run (Back Into My Arms)

Roy Orbison

Run, Run Baby Run  
Run Baby Run, Run Baby Run

Run Baby Run, Run Baby Run  
Run Baby Run, back into my arms  
Run Baby Run, Run Baby Run  
Run Baby Run, back into my arms

Even though you hurt me  
I still love you, it's true  
Even though I know that you will hurt me again  
I will love you as I did then

Run, Run Baby Run, Run Baby Run  
Run Baby Run, back into my arms  
Run, Run Baby Run, Run Baby Run  
Run Baby Run, back into my arms

I'm not the kind of guy  
To ever hurt you or let you down  
So if that guy you're seeing ever makes you cry  
Leave him, tell him goodbye

Run, Run Baby Run, Run Baby Run  
Run Baby Run, back into my arms  
Run, Run Baby Run, Run Baby Run  
Run Baby Run, Run Baby Run....
