

Win or Be Drowned

Running Wild

Like soldiers of fortune, we're cruising the sea
Against all the odds with the urge to be free
We're longing for freedom like an animal that's chained
We're thirsty for justice like a flower that's drained, that's
drained, yeah
Win or be drowned, so fight hard
Win or be drowned like a wild shark
Win or be drowned, so stand tight
Win or be drowned, freedom's fight, yeah
Slave drivers hunted, our cannons will speak
A frightening terror for the profit they seek
Like sea cruising phantoms on the breath of the sea
We are foiling their plans, hooked, they can't flee, can't flee
, yeah
Win or be drowned, so fight hard
Win or be drowned like a wild shark
Win or be drowned, so stand tight
Win or be drowned, freedom's fight, fight
We're still full of pride, we are fighting for life
For independence we're struggling, we've got to survive
We're longing for freedom like an animal that's chained
We're thirsty for justice like a flower that's drained, that's
drained, yeah
So win or be drowned, so fight hard
Win or be drowned like a wild shark
Win or be drowned, so stand tight
Win or be drowned, freedom's fight
Win or be drowned, oh so fight hard
Win or be drowned like a wild shark
Win or be drowned, so stand tight
Win or be drowned, freedom's fight, yeah
Ooh yeah, fight
