

## Spayed Kooley

Ry Cooder

I got a dog in this fight I got troops on the ground  
His name is old Spayed Kooley he's the meanest dog in town  
If you think I'm foolin' try bustin' in through the door  
He'll tear you a whole brand new one and you won't come back no  
more

Spayed's a good dog he's really bad  
He's the best pal this poor boy ever had

Now Spayed might get suspicious when first you chance to meet  
So if you come a callin' you better wipe your feet  
Empty out your pockets let him see your hands  
Be sure to talk good English so he can understand

Spayed likes mariachis he loves to hear 'em croon  
I know he'll be watchin' if the fiddles ain't in tune  
When you come 'round to our table you better play it sweet  
Or it's adios muchachos down on Olivera Street

Spayed's a good dog he's really fine  
So if you want to be a friend of mine  
Pledge allegiance to our flag try to sing on key  
And you won't have no problem with my dog Spayed Kooley
