

# Call Me On Your Way Back Home

Ryan Adams

Oh baby why do I miss you like I do  
Oh I miss my sweet  
And the birds all singing blue  
And white

And white  
Call me on your way back home dear  
Cause I miss you

Honey I ain't nothing new  
Oh baby why did I treat you like I did  
Honey I was just a kid  
Bubblegum on my shoe

But you love me and I love you  
Call me on your way back home dear  
Cause I miss you  
And I just wanna die without you  
Oh I just wanna die without you  
Yeah I just wanna die without you
