

# Mockingbird

Ryan Adams

Mockingbirds sing  
Sing me what the Lord was singing  
On the day He made the water  
The color of the blues  
Sing me that song  
Sing me to till the heavens rising  
On the day He made the water  
The color of my baby's eyes  
Love her in the ways you want to be loved  
Love her in the ways she wants to be loved  
Love her in the ways you want to be loved  
But the way I'm loving her  
It must not be enough  
Cause in the way she cries  
It only tears me up  
I feel dead inside and dying  
And if you give up  
Don't give up on love  
Don't give up on love  
The rivers they run  
They run until they get too tired  
Until they run behind the houses  
And they become a creek  
When I was a child  
I ran until the creek became a river  
When it turned into the ocean  
I wondered why He'd made it so deep  
Love her in the ways you want to be loved  
Love her in the ways you want to be loved  
Love her in the ways you want to be loved  
But the way I'm loving her  
Must not be enough  
Cause the way she cries  
It only tears me up  
I feel dead inside and dying  
Don't give up  
Cause in a way she's crying  
It only tears me up  
I feel dead inside and dying  
Give up  
Don't give up on love  
Don't give up on love  
Love her in the ways you want to be loved  
Love her in the ways you want to be loved  
Love her in the ways you want to be loved  
Sometimes it ain't enough  
Sometimes it ain't enough  
But don't give up on love
