Note to Self: Don't Die

Ryan Adams

I'm as blue I'm as blue as the ocean is true, it's just reflections of the sky I'm as cold I'm as cold as the stories you told but never sick enough to di е Note to self, don't change for anyone Note to self, don't die Note to self, don't change for anyone Don't chance, just lie I'm as sick I'm as crass as the things in your past, you wished that you co uld let them go Caged birds Caged animals starving for class In your house when you're alone Note to self, don't change for anyone Note to self, don't die Note to self, don't change for anyone Don't change, just lie Who do you call when you're alone Nobody, baby Who do you want to be, figure out and just let me know Don't change, don't change, don't change Just let me qo Just let me qo Just let me go
