Girl, don't tell me how you want me Tell me how to get through Girl, don't tell me how you want me Tell me how to get through

'Cause I gotta know I gotta know I gotta know

I gotta know
I gotta know
I gotta know you inside out
Know what I'm talking about
You're taking me higher than I've been before
You're taking me higher than I've been before
And leaving me shallow

Girl, don't tell me how you need me Tell me how to get through

Cause I gotta know I gotta know I gotta know

I gotta know
I gotta know
I gotta know you inside out
Know what I'm talking about
You're taking me higher than I've been before
You're taking me higher than I've been before
You're taking me higher
You're taking me higher

You gotta do what you do Gotta say what you say And lie to yourself Forever

You gotta do what you do Gotta say what you say You've lied to yourself Forever

Girl, don't tell me how you need me
Tell me how to get through
Girl, don't tell me how you need me
Tell me how to get through
'Cause I gotta know
