

Eyes Wide Open

Sabrina Carpenter

La di da da da na
Yeah

Everybody loves to tell me I was born an old soul
Better keep my eyes wide open
There's so much that I don't know
Just another hotel room
Never felt so all alone
I think about my granddad's eyes,
And they always send me home
I can almost hear him now
Gotta make him proud

I keep my eyes, wide, open
Bless this ground, unbroken
I'm about to make my way
Heaven help me keep my faith
And my eyes, wide, open

I can't see two steps ahead of me,
When the fog comes rollin' in
I never thought I'd miss the rain
God knows how long it's been
This dream burns inside of me,
And I can't just let it go
There's still so much that I don't know

I keep my eyes, wide, open
Bless this ground, unbroken
I'm about to make my way
Heaven help me keep my faith
And my eyes, wide, open

All I have is just this moment
And I don't want to miss a second
'Cause it could all be gone in an instant
Yeah, in an instant...

I keep my eyes, wide, open
Bless this ground, unbroken
I'm about to make my way
Heaven help me keep my faith
And my eyes, wide, open

I'm about to make my way
Heaven help me keep my faith
My eyes, wide, open

Keep my eyes...wide...open
