

Sleep Like A Baby

Sam Brown

Sleep like a baby
Sleep like a child in my arms,
Sleep like a baby in my arms.

I want you to feel peace in mind,
I want you to dream of the happiest times of your life.
Turn away your darker side, just for tonight.

Sleep like a baby,
Sleep like a child in my arms,
Sleep like a baby in my arms...

Won't you let me take you back, to when you were young,
I'll make you feel sheltered, I'll make you feel warm.
Won't you let me take you back...
Sleep...
Sleep...
S l e e p ...
Sleep like a baby...

Lay your head down here on my pillow,
Lay down here by my side,
Turn away your darker side...
Just for tonight...
