

## The Song Is Ended

Sam Cooke

The song is ended  
But the melody lingers on  
you and the sun are gone  
but the melody lingers on

The night was splendid  
and the melody seemed to say  
O, summer will pass away  
Take your happiness while you may  
There beneath the light of the moon  
We sang a love song that ended too soon  
The moon descended and I found at the break of dawn  
That you and the sun are gone  
but the melody lingers on  
but the melody lingers on  
That you and the sun are gone  
but the melody lingers on

The night was splendid  
and the melody seemed to say  
O, summer will pass away  
Take your happiness while you may  
There beneath the light of the moon  
We sang a love song that ended too soon  
The moon descended and I found at the break of dawn  
That you and the sun are gone  
but the melody lingers on
