

# Midnight Train

Sam Smith

I choose me  
And I know that's selfish, love  
You are a dream  
And I can't thank you enough  
But I give another piece of me away  
Every waking day that I'm with you

Am I a monster?  
What will your family think of me?  
They brought me in  
They helped me out with everything  
But I give a little piece of me away  
Every single day

So I pick up the pieces  
I get on the midnight train  
I got my reasons  
But darling I can't explain  
I'll always love you  
But tonight's the night  
I choose to walk away

Love you so much  
That I have to let you go  
I'll miss your touch  
And the secrets we both know  
But it would be wrong for me to stay  
And I'll just give you hope

So I pick up the pieces  
I get on the midnight train  
I got my reasons  
But darling I can't explain  
I'll always love you  
But tonight's the night  
I choose to walk away

I can't stop crying  
I hate that I've caused you pain  
But I can't deny it  
I just don't feel the same  
I'll always love you  
But tonight's the night  
I choose to walk away

So I pick up the pieces  
I get on the midnight train  
I got my reasons  
But darling I can't explain  
I'll always love you  
But tonight's the night  
I choose to walk away
