

# These Walls

Samantha Jade

Oh oh oh  
Oh oh oh

I can still see  
So clear to me  
A part of me died  
Would you do that if you could take back  
The tears that I've cried

When you said goodbye  
I had to ask why  
Was there something that I didn't say?

Baby, can we start over?  
I'm not ready to lose ya  
It's really hard to be strong because

Cause these walls  
Are closing in on me  
It's starting to get so hard to breathe  
You said don't love me  
I'm a go, going crazy  
I've not just been myself lately

Oh, there's gotta be a better way  
Baby, you promised me you'd stay  
You said don't love me  
These walls are really  
Closing in on me

Oh oh oh  
Closing in on me

Now I'm sitting here  
Living my fear  
In this empty space  
Baby, what did you do?  
This table for two  
Still has your place

When you said goodbye  
I had to ask why  
Was there something that I didn't say?

So can we turn back time?  
Back to when you were mine  
It's really hard to be strong cause

Cause these walls  
Are closing in on me  
It's starting to get so hard to breathe  
You said don't love me  
I'm a go, going crazy  
I've not just been myself lately

Oh, there's gotta be a better way  
Baby, you promised me you'd stay

You said don't love me  
These walls are really  
Closing in on me

Oh oh oh  
On me, on me  
Closing in on me

Oh oh oh  
Oh oh oh  
Oh oh oh

Cause these walls  
Are closing in on me  
It's starting to get so hard to breathe  
You said don't love me  
I'm a go, going crazy  
I've not just been myself lately

Oh, there's gotta be a better way  
Baby, you promised me you'd stay (didn't you promise me?)  
You said don't love me  
These walls are really  
Closing in on me

Oh oh oh  
Closing in on me  
Oh oh oh  
Closing in on me  
Oh oh oh  
Oh oh oh
