

Shag

Sammy Hagar

South Carolina, down in Myrtle Beach
Dance to the music, twistin' to the beat
Shimmy shimmy shake it, shimmy shakin' coco pop
Turn me on babe and don't stop

You make me wanna shag you baby
You know I wanna shag you baby, wooh
I gotta shag you baby
You make me wanna shag you baby

Turn on the lights, I got to see you comin'
Turn on the key and get your motor hummin'
I been smokin' lightning, make me hear the thunder
I feel your body tightnin' from under

You make me wanna shag you baby, uh
I gotta shag you baby, wooh
You know I gotta shag you baby
I wanna shag you baby, shag you baby, shag you baby

Ooh, shag you baby, hey
Uh, shag you baby
You know I wanna shag you, honey
You make me wanna, uh uh uh uh uh
I gotta shag you, baby

Turn on the lights, I got to see ya comin'
Turn on the key and get your motor hummin'
I like smokin' lightning, you make me hear the thunder
I feel your body tightnin' from under

You make me wanna shag you baby, uh
You know I gotta shag you baby, wooh
I wanna shag you baby, uh huh
I gotta shag you baby
Shag you baby

Ooh, shag you baby, uh huh
Shag you baby, yeah
You know I gotta shag you baby
Shag you baby

Yeah, shag you baby, uh
I gotta shag you baby
You make me wanna
You make me wanna shag you baby, wooh
I gotta shag you baby
C'mon shag you baby
