

The Way I Feel

Sanctus Real

Get a hold of yourself
Try and figure it out...figure it out
There's a way to escape
But the choices you make
Stand in the way

So they say that it's the only way
But now you know how I feel about it

And I can't escape
The way you feel
'Cause it's the way I feel
And it's surreal

Take a look at yourself
Are you wondering how
It's gonna work out?
And there's a way to escape
What you think is your fate
But you say it's too late

And I can't escape the way you feel
'Cause it's the way I feel
And it's surreal
And I cannot change
The way it is
'Cause it's the life that you live
And it's so real
I'm missing you still

I have felt so far from home here
Don't want to stir the waters
Of a restless soul
I'll learn to let this go

There's a way to escape
What you think is your fate
It's never too late
