

How Can You Tell

Sandie Shaw

My love,
Says the sweetest things
Everyone who knows him tells me that he brings me
True loving
But I don't really know 'cause

How can you tell if somebody loves ya,
How'd you know they mean it?
How can you tell if somebody loves ya,
Maybe he's just playin' games with me, oh

He smiles
When I shake his hand
Then he'll kiss me and I just don't understand
Why I doubt it when he tells he loves me

How can you tell if somebody loves ya,
How'd you know they mean it?
How can you tell if somebody loves ya,
Maybe he's just playin' games with me, oh

I treasure every moment he and I spent together
Sharing kisses I wish would last forever and ever

Maybe I shouldn't speak of love
But since I met him it's the one thing I think of
And he tells me he feels the same way, and yet

How can you tell if somebody loves ya,
How'd you know they mean it?
How can you tell if somebody loves ya,
Maybe he's just playin' games with me, oh

And you should know that my love
Says the sweetest things
Everyone who knows him tells me that he brings me
True loving
But I don't really know 'cause

How can you tell if somebody loves ya,
How'd you know they mean it?
How can you tell if somebody loves ya,
Maybe he's just playin' games with me, oh
