

Beautiful View

Sarah Connor

I'm so electrified
Transcending space and time
Oh oh oh
Future so undefined
Leave the routine behind

Everytime everytime blow my mind
When I see you I don't know what to say
You turn night into day
It's a magical circle
You're takin' my breath away

Beautiful beautiful view
Everytime I look at you
It's like a spirit callin'
Beautiful beautiful you
Baby I'm so into you
It fells like I'm fallin'

Target identified
I'm blinded by your light
You keep me up all night
But it's no sacrifice

Everytime everytime blow my mind
When I see you I don't know what to say
You turn night into day
It's a magical circle
You're takin' my breath away

Beautiful beautiful view
Everytime I look at you
It's like a spirit callin'
Beautiful beautiful you
Baby I'm so into you
It fells like I'm fallin'

You blow my mind
You're so beautiful beautiful beautiful...
You blow my mind

Beautiful beautiful view
Everytime I look at you
It's like a spirit callin'
Beautiful beautiful you
Baby I'm so into you
It fells like I'm fallin'

Beautiful beautiful view
God has made a miracle
The day you were born and
Beautiful beautiful you
I will never let you go
You're like the perfect song yeah

It fells like I'm fallin' yeah
