Beautiful View

Sarah Connor

I'm so electrified Transcending space and time Oh oh oh Future so undefined Leave the routine behind

Everytime everytime blow my mind When I see you I don't know what to say You turn night into day It's a magical circle You're takin' my breath away

Beautiful beautiful view Everytime I look at you It's like a spirit callin' Beautiful beautiful you Baby I'm so into you It fells like I'm fallin'

Target identified I'm blinded by your light You keep me up all night But it's no sacrifice

Everytime everytime blow my mind When I see you I don't know what to say You turn night into day It's a magical circle You're takin' my breath away

Beautiful beautiful view Everytime I look at you It's like a spirit callin' Beautiful beautiful you Baby I'm so into you It fells like I'm fallin'

You blow my mind You're so beautiful beautiful beautiful... You blow my mind

Beautiful beautiful view Everytime I look at you It's like a spirit callin' Beautiful beautiful you Baby I'm so into you It fells like I'm fallin'

Beautiful beautiful view God has made a miracle The day you were born and Beautiful beautiful you I will never let you go You're like the perfect song yeah

It fells like I'm fallin' yeah Tištěno z www.txp.cz
