You're the Kinda Man

Sarah Connor

You got it, got it goin' on The way you lead the ladies on You know it, it's all because of you They want it, they all want a piece of you It's crazy what you do to me Freaky is how you make me feel I see it they wall want it, too They want it, they all want a piece of you

It's all over when ya do that thing ya Do you know you shouldn't ever You got it, got me feeling dirty do ya Wanna a lover who you know can please ya

You're the kinda man A man they wanna roll with You're the kinda man A girl wanna go home with You're the kinda man I wouldn't wanna show with You're the kinda man For me, for me

I want it, I could teach you something new I got it, I got something for you The way I know what you should do And then I'll give myself to you It's all over when ya do that thing ya Do you know ya shouldn't ever You got, got me feeling dirty do ya Wanna a lover who you know can please ya

You're the kinda man A man they wanna roll with You're the kinda man A girl wanna go home with You're the kinda man I wouldn't wanna show with You're the kinda man For me, for me

You're the kinda man A man they wanna roll with You're the kinda man A girl wanna go home with You're the kinda man I wouldn't wanna show with You're the kinda man For me, for me
