

# I'll Be Alright

Sarah Geronimo

It's time for me to let you know  
I am so glad that I have you  
Through all these years  
I am so thankful

Now that I've grown  
I'll always be thinking of you  
With all the things you taught me so  
Always remember

I'll be alright, I'll be OK  
I will be good learning all the way  
All from the heart, these things I do  
I'll make you proud because I love you  
I'll be alright, I'll be OK  
I will be fine  
And I'll be good all the way  
All from the heart, these things I do  
I'll make you proud because I do  
I love you so

I will stand tall and I'll try not to fall  
As I reach all of my goals  
I will go on, I will move on  
All because of you  
For you

I'll be alright, I'll be OK  
I will be good learning all the way  
All from the heart, these things I do  
I'll make you proud because I love you  
I'll be alright, I'll be OK  
I will be fine  
And I'll be good all the way  
All from the heart, these things I do  
I'll make you proud because I do  
I love you so  
I love you so  
I love you so
