## **Part One Of The Cowboy Trilogy**

## **Sean Lennon**

She left me just the other night Came back the very next day I decided to drink some wine Cause I couldn't get my way Oh I said I'm gonna leave But I guess I'm gonna stay

If I was a rooster
I would cockadoodle all day
If I was an eagle
I would try to fly away
Oh I said I'm gonna leave
But I guess I'm gonna stay

How come you never know
What it is I'm trying to say?
How come it's freezing cold
When we're in the month of May?
Oh I said I'm gonna leave
But I guess I'm gonna stay
