

You could've been the real one  
You could've been the one enough for me  
You could've been the free one  
(the broken down and sick one)  
Remnant of a vacant life

You come around when you find me faithless  
You come around when you find me faceless  
Fuck me like you hate me  
(dig it up, tear it down)  
Dig it up and whore me out  
Fuck me like you hate me  
(dig it up, tear it down)  
I love the sound when you come undone

You could've been the next one  
(God only knows)  
You could've been the one to comprehend me  
You could've been the only one  
(the broken down and sick one)  
You could've been the one who I lie with

You come around when you finally face this  
You come around when you find me faceless  
Fuck me like you hate me  
(dig it up, tear it down)  
Dig it up and whore me out  
Fuck me like you hate me  
(dig it up, tear it down)  
Don't make a sound 'til I come undone

You'll never break me  
You'll never break me  
You'll never break me

You could've been the real one  
You could've been the last one I lie with  
You could've been the old one  
I should've been the one who died

You come around when you finally face this  
You come around when you find me faceless  
Fuck me like you hate me  
(dig it up, tear it down)  
Dig it up and whore me out  
Fuck me like you hate me  
(dig it up, tear it down)  
I love the sound when you come undone  
Fuck me like you hate me  
(fuck me like you hate me)  
Fuck me like you hate me  
(you'll never break me)  
Fuck me like you hate me  
(dig it up, tear it down)  
You'll come around when you find me faceless
