You can't walk the streets at night
You're way too short to get on this ride
No I'm not, no I'm not, you tryna tell me that I
I gotta be home when the street lights glow
You can't watch your TV show
I will watch what I wanna watch
No, I won't listen to you
Do what I wanna do

And I will walk this road ahead
One hundred miles on my hands
Do I need to show you?
Guess I gotta show you
And if you don't believe me now
I'll flip the whole world upside down
Do I need to show you?
Guess I gotta show you

Watch me swim across this lake
Fly through the sky in my Superman cape
Watch me walk across this wire
Tip toe
The coals of a blazing fire
Watch me fly this kite in the rain
I'll jump rope with my ball and chain
Come knock on my house of cards
If it falls I will build it from the start
I won't listen to you,
Do what I wanna do

And I will walk this road ahead
One hundred miles on my hands
Do I need to show you?
Guess I gotta show you
And if you don't believe me now
I'll flip the whole world upside down
Do I need to show you?
Guess I gotta show you

Do I really gotta show you now? Really, really, really gotta show you now? Do I really gotta spell it out? I-T, I spelled it out If you really wanna see me now. Watch me walk across the clouds I don't know what you heard about, listen to me yell it loud Do I really gotta show you now? Really, really gotta show you now? Do I really gotta spell it out? I-T, I spelled it out If you really wanna see me now Watch me walk across the clouds I don't know what you heard about, seems like they all knock it down

And I will walk this road ahead

One hundred miles on my hands
Do I need to show you?
Guess I gotta show you
And if you don't believe me now
I'll flip the whole world upside down
Do I need to show you?
Guess I gotta show you

Do I really gotta show you now?
Really, really, really gotta show you now?
Do I really gotta spell it out?
I-T, I spelled it out
If you really wanna see me now.
Watch me walk across the clouds
Do I need to show you?
Guess I gotta show you
