

## Just One Smile

Sheena Easton

Can't I cry a little bit, there's nobody to notice it  
Can't I cry if I want to, no one cares  
Why can't I pretend that you love me again  
All I have has been taken from me  
Now I'm cryin', I'm cryin' and tears will be comin'

Just one smile, the pains forgiven, just one kiss, the hurts al  
l gone  
Just one smile to make my life worth livin'  
A little dream, a bit of my own home

How I wish I could say all the things that I wanna say  
If someday you could see what's in my heart  
I don't ask for much, a look, a smile, a touch  
Tryin' to forget, Lord knows I'm tryin'  
But its hard to forget when your whole world, your whole world  
is dyin'

Why can't I pretend that you love me again  
Tryin' to forget, Lord knows I'm tryin'  
But its hard to forget when your whole world, your whole world  
is dyin'
