

# Morning Train

Sheena Easton

I wake up every mornin', I stumble out of bed  
Stretchin' and yawnin', another day ahead  
It seems to last forever and time goes slowly by  
Till babe and me's together, then it starts to fly

'Cause the moment that he's with me, time can take a flight  
The moment that he's with me, everything's alright  
Night time is the right time, we make love  
Then it's his and my time, we take off

My baby takes the morning train  
He works from nine to five and then  
He takes another home again  
To find me waitin' for him

My baby takes the morning train  
He works from nine to five and then  
He takes another home again  
To find me waitin' for him

He takes me to a movie or to a restaurant  
To go slow dancing, anything I want  
Only when he's with me, I catch light  
Only when he gives me, makes me feel alright

My baby takes the morning train  
He works from nine to five and then  
He takes another home again  
To find me waitin' for him

All day I think of him, dreamin' of him constantly  
I'm crazy mad for him and he's crazy mad for me (crazy mad for me)  
When he steps off that train, amazingly full of fight  
Work all day to earn his pay, so we can play all night

My baby takes the morning train  
He works from nine to five and then  
He takes another home again  
To find me waitin' for him

(My baby takes the morning train)  
He's always on that morning train  
(He works from nine to five and then)  
He works so hard  
(He takes another home again)  
To find me waiting for him

(My baby takes the morning train)  
(He works from nine to five and then)  
(He takes another home again)  
(To find me waitin' for him)
