Our House

Sheena Easton

I'll light the fire You place the flowers in the vase That you bought today Staring at the fire For hours and hours While I listen to you Play your love songs All night long for me Only for me

Our house is a very, very fine house With two cats in the yard Life used to be so hard Now everything is easy 'cause of you

Ooh-wa la la la la la la

I'll light the fire You place the flowers in the vase That you bought today

Come to me now And rest your head for just five minutes Everything is good Such a cosy room The windows are illuminated By the sunshine through them Fiery gems for you Only for you
