

Strut

Sheena Easton

He said, "Baby, what's wrong with you?
Why don't you use your imagination?
Nations go to war over women like you
It's just a form of appreciation"

Come on over here, lay your clothes on the chair
Now let the lace fall across your shoulder
Standin' in the half light, you're almost like her
Now, take it slow like your daddy told ya

Strut, pout, put it out, that's what you want from women
Come on baby, what you takin' me for?
Strut, pout, cut it out, all takin' and no givin'
Watch me baby while I walk out the door

I said, "Honey, I don't like this game
You make me feel like a girl for hire
All this fascination with leather and lace
Is just the smoke from another fire"

He said, "Honey, don't stop this speedin' train
Before it reaches its destination
Lie down here beside me, oh have some fun too
Don't turn away from your true vocation"

Strut, pout, put it out, that's what you want from women
Come on baby, what you takin' me for?
Strut, pout, cut it out, all takin' and no givin'
Watch me baby while I walk out your door

I won't be your baby doll
Be your baby doll
I won't be your baby doll
Be your baby doll

Strut, pout, put it out, that's what you want from women
Come on baby, what you takin' me for?
Strut, pout, cut it out, all takin' and no givin'
Watch me baby while I walk out the door

Strut, pout, put it out, that's what you want from women
Come on baby, what you takin' me for?
Strut, pout, cut it out, all takin' and no givin'
Watch me baby while I walk out your door

Strut, pout, put it out, that's what you want from women
Come on baby, what you takin' me for?
Strut, pout, cut it out, all takin' and no givin'
Watch me baby while I walk out your door
