

My Black Ass

Shellac

gonna eat what I pick
and I hope you choke on it
I'm proud to break a sweat

too late
for Satchel Paige
it's a Gary Cooper Story and it shines like Sammy's knee

gonna eat what I pick
and I hope you choke on it
when I dance I raise the dead
drop a nickel in my hat

take one look at your big smile

proud to break a sweat

my black ass
