

The Music That Makes Me Dance

Shirley Horn

I know you're around when the sky and the ground start in ringing
I know you're around by the thunder I hear in advance
Your words and your words alone are the words that start my heart singing
And yours is the only music that makes me dance

You'll sleep and you'll rise in the light of two eyes that adore you
Bore you it might, but you won't leave my sight or glance
In every way, every day, I need less of myself and need more you, more you
Yours is the only music that makes me dance

In every way, every day I need less of myself, and need more you, more you
Yours is the only music that makes me dance
