

Music on my mind

Showtek

I've got the music on my mind

I've got the music on my mind

All of the time

I've got the music in my soul

Takes me out of control

I've got the music on my mind

All of the time

So put your hands up in the air

And I take you there

(2x)

I-I-I've got the music on my mind

I've got the music on my mind

All of the time

I've got the music in my soul

Takes me out of control

I've got the music on my mind

All of the time

So put your hands up in the air

And I take you there

I-I-I've got the music on my mind (2x)

I've got the music on my mind

All of the time

I've got the music in my soul

Takes me out of control
