Ev'ry Time We Say Goodbye

Simon Carly

Everytime we say goodbye I die a little Everytime we say goodbye I wonder why a little Why the gods above me who must be in the know Think so little of me, they allow you to go

And when you're near there's such an air of Spring about it
I can hear a lark somewhere begin to sing about it
There's no love song finer but how strange the change from majo
r to
minor
Everytime we say goodbye

Why the gods above me who must be in the know
Think so little of me, they allow you to go
And when you're near there's such an air of Spring about it

There's no love song finer but how strange the change from majo r to minor

Everytime we say goodbye, everytime we say goodbye Everytime we say goodbye, everytime we say goodbye....

I can hear a lark somewhere begin to sing about it
