I've Got You Under My Skin

Simon Carly

I've got you under my skin I've got you deep in the heart of me So deep in my heart, you're really a part of me I've got you under my skin

I'd tried so not to give in I said to myself this affair never will go so well But why should I try to resist when, baby, I know so well That I've got you under my skin?

I'd sacrifice anything come what might For the sake of havin' you near In spite of a warnin' voice that comes in the night And repeats and repeats in my ear

Don't you know, little fool, you never can win? Use your mentality, wake up to reality But each time that I do just the thought of you Makes me stop before I begin 'Cause I've got you under my skin

I'd sacrifice anything come what might For the sake of havin' you near In spite of the warning voice that comes in the night And repeats, how it yells in my ear

Don't you know, little fool, you never can win? Why not use your mentality, wake up to reality? But each time that I do just the thought of you Makes me stop just before I begin 'Cause I've got you under my skin

'Cause I've got you under my skin Yeah, I've got you under my skin Sure enough I do, baby Sure enough I do
