Ill remember it And Dublin in a rainstorm And sitting in the long grass in summer Keeping warm Ill remember it Every restless night We were so young then We thought that everything We could possibly do were the right Then we moved Stolen from our very eyes And I wondered where you went to Tell me when did the light die You will rise You'll return The phoenix from the flame You will learn You will rise You'll return Being what you are There is no other Troy For you to burn And I never meant to hurt you I swear I didn't mean Those things I said I never meant to do that to you Next time I'll keep my hands to myself instead Oh, does she love you What do you want to do? Does she need you like I do? Do you love her? Is she good for you? Does she hold you like I do? Do you want me? Should I leave? I know you're always telling me That you love me Just sometimes I wonder If I should believe Oh, I love you God, I love you I'd kill a dragon for you Ill die But I will rise And I will return The Phoenix from the flame I have learned I will rise And you'll see me return Being what I am There is no other Troy For me to burn And you shouldve left the light on You shouldve left the light on Then I wouldn't have tried And you'd never have known

And I wouldn't have pulled you tighter

No I wouldn't have pulled you close I wouldn't have screamed No I can't let you go And the door wasn't closed No I wouldn't have pulled you to me No I wouldn't have kissed your face You wouldn't have begged me to hold you If we hadn't been there in the first place Ah but I know you wanted me to be there oh oh Every look that you threw told me so But you shouldve left the light on You shouldve left the light on And the flames burned away But you're still spitting fire Make no difference what you say You're still a liar You're still a liar You're still a lawyer
