

Now is the only that's real.

Binge, Cringe

(The police used to watch over the people, now their watching the people)

On the fringe

Sloppy

Now is the only that's real.

(Binge, Cringe, Sloppy)

Mincing, Eyedropping, Biopsy

Cyclops overlooks, Optic options

Rotton showstopper(showstopper) skinpopper

Babbler dabbler, self confessed, Criminal

Tore pen in vain

Instant, still spellbound

Game stock

Talk back rock

Reencounter incident, Subsistance inexistant

(Now is the only thing that's real)

Non committed, Unwitted

Oblivious

Habitual, resistor

Roughed up edge

Fluid nudge

Re-collect ignition,

Motivation

Inexistant

Wasted views, thats all they see and do

Hot blood Guild, Optic nerve

With the right attitude, you will succeed in blue

Self abusive, recluse

Too late for me, to make, shifting peace

Settling crazy things

Keep your eyes open

Soft spoken changes nothing

A view so cruel

Dogs body comatose

Torchlight roast

Disinterest, disinfect

Retold impressed by position

Insiders know, refresh

Detained contest

Our blood is pure

Short night

Freeze in time or shadows climb distractions override

Instincts evolve

Over and over

(Do you or don't you want me to make you?

It's coming down but don't let it break you.

Tell me tell me tell me the answer.

You maybe a lover but you ain't to dancer)

Wasted truth

Why call at all blue?
Hot lines, eventual decline
With the right attitude you will succeed in blue
Resent that discontent, sidestep

Define the state of things, so far, crazy things a view so cruel
A view so cruel
A view so cruel
A view so cruel
A vew so cruel

Binge, Cringe
On the fringe
Sloppy
Skinpopper
Binge, Cringe

Now is the only thing that's real.
