

# In My Garden

Skylar Grey

I don't even deserve it  
What I get, I can't believe I earned it  
What you said I can't believe I heard it  
Been a fact, no matter what the verdict  
I'm all I ever needed  
If you cut my hands like I'm defeated  
They grow back if I'm mistreated  
In my garden, in my garden

Where I come from, we don't cry over none  
I come from where a few get a chance to be loved  
Travel the world  
Where I come from I just don't have the time to be miserable

Can't you just smile for me  
Can't you just smile baby for me  
Smile baby for me  
Smile  
Smile  
Smile  
Smile

Patiently  
I wait for the sun, to rise, to rise  
I ain't goin' after perfect  
Every broken wing is not a burden  
Baby don't complain about your hurtin'  
Cause we know there's always room to worsen  
When your roots are bein' eaten  
Just know it's good to be receedin'  
In my garden, in my garden  
In my garden, in my garden oh

Where I come from, we don't cry over none  
I come from where a few get a chance to be loved  
Travel the world  
Where I come from I just don't have the time to be miserable

Can't you just smile for me  
Can't you just smile baby for me  
Smile  
Smile  
Smile  
Smile  
Smile  
Smile  
Patiently  
Wait for the sun, to rise
