

How D'You Ride

Slade

Listen now

A don't you know I got a rock hard reputaion

I gotta try a lot of new things today

And I've got, got, got a lot of things I'm not

Listen now to what I say

A don't you know I tried to turn my fast car over

I don't remember never wheelers get in a while *

And he'd got, got, got a lot of what was hot

All that I could do was sit and smile

How d'you ride, how d'you an' me hide, Oh yeh, oh

How d'you ride, how d'you an' me hide, Oh, oh, oh, oh

How d'you ride, how d'you an' me hide, Oh yeh, oh

How d'you ride, how d'you an' me hide, Oh yeh

Oh yeh

A can't you see we're gonna need no revolution

A just to get the good time messes today

Cos we got, got, got a life an that's the plot

The way that we could not have played

How d'you ride, how d'you an' me hide, Oh yeh, oh

How d'you ride, how d'you an' me hide, Oh, oh, oh, oh

How d'you ride, how d'you an' me hide, Oh yeh, oh

How d'you ride, how d'you an' me hide, Oh yeh

Oh yeh

A don't you know I got a rock hard reputaion

I gotta try a lot of new things today

And I've got, got, got a lot of things I'm not

Listen now to what I say

How d'you ride, how d'you an' me hide, Oh yeh, oh

How d'you ride, how d'you an' me hide, Oh, oh, oh, oh

How d'you ride, how d'you an' me hide, Oh yeh, oh

How d'you ride, how d'you an' me hide, Oh, oh, oh, oh

How d'you ride, how d'you ride, hey, hey listen now, listen

How d'you ride, how d'you ride....
