Wham Bam Thank You Mam

Small Faces

Well she was a lady of charm A prisoner of songs unsung She was just a face that took All her groovin' on his guitar Hot cars, strange clothes, any ways your mind goes Wham team, thank you mam We'll boogie till the rooster crows Oh yeah We lived this way for so long You said babe, never got it on Oh no no no Surprise surprise, I thought you ought to know He chucked her out the door Without a cent (cent, cent) Papa said grab your share but don't give a bad smell Wham team god damn the devil planks And wants some more yeah yeah Sha la la la Shang a dorang shang a lang lang Shang a lang mama, Sing it mama Say it yes yes Close your breath and hold your eyes Turn the corner, a surprise, and there you are Well, Id like to know why those old freaks While walkin' through their moves He seeks to keep you in your stick hole And bash away your soul...surprise C'mon
