

## The Aeroplane Flies High (Turns Left, Looks Right)

The Smashing Pumpkins

I really don't wanna look stupid when I'm sleeping  
I never really liked sunny days  
The black wings just reach out to me over a distance...  
And I can feel the wind from the wings  
I see the clouds, I feel the ocean with my feet, and I'm home a  
gain  
It requires an ability to judge distance  
The aeroplane flies high...turns left, looks right

Love is a sentimental heart  
Life is a sentimental way  
Spy the fragile heart so cursed  
As he walks across this earth  
I'm disconnected by your smile  
Disconnect a million miles  
And what you promised me  
I hope will set you free  
I'm disconnected by your smile

If I knew where I was going I would already be there  
(Laugh) I wish I had more time  
Judicious, beautiful, augmented, whatever  
I've always been afraid to die, but I think I'm more afraid to  
live

And all I gave to you is lost  
And all you took from me is lost  
Black wings carry me so high  
Up to meet you in the sky  
I'm disconnected by your smile  
Disconnect a million miles  
And what you promised me  
I hope will set you free  
I'm disconnected by your smile  
Wishing you were real to me  
Wishing I could make believe  
I'll take my secrets to the grave  
Safely held beneath the waves  
Always knew I couldn't save  
Always knew I couldn't save you

And in the heart I know you're there  
And in my heart I know you care  
And in my heart I know you don't
