

## Dreaming Of Love

Spain

Lost my way, it's alright  
Lost my way, it's alright  
I've been dreaming of love  
And we're so close  
And we're so near  
Oh when we touch  
Oh we disappear  
Lost my way, I don't care  
Lost my way, I don't care  
I've been dreaming of love  
And we're so close  
And we're so near  
Oh when we touch  
Oh we disappear  
Oh we're so close  
Oh we're so near  
Oh when we touch  
Oh we disappear  
Oh we're so close  
Oh we're so near  
Oh when we touch  
Oh we disappear
