

Shopping Mall of Love

Sparks

I found my thrill
I found my thrill
I found my thrill in Beverly Hills

Folks call her Jill
Folks call her Jill
Folks call her Jill but that ain't what I call her

She's like a star
She's like a star
She's like a star in some long running TV series

And we make love
And we make love
And we make love all the time

Come
The shopping mall of love
Come with me
The shopping mall of love
Quality
The shopping mall of love
All for free
The shopping mall of love

She makes me laugh
She makes me laugh
She makes me laugh

She's so uninhibited
She's so unlimited
That's just the start

She's so magnificent
She's so magnificent
A work of art

Like the Mona Lisa
The Venus de Milo
The Pieta
Or a Reclining Nude On The Wall

I found my thrill
I found my thrill
I found my thrill in Beverly Hills
