

Don't Buy the Realistic

Spoon

All night, be left alone
Take my name as my own

So come on and take my hand, come and
Come on and take my hand, come on and
Come on and take my hand, come on and
Take my, take my, take my, take my
Take my, take my, take my, take my

Words are not much to say
Face the, gets in the way

So come on and take my hand, come and
Come on and take my hand, come on and
Come on and take my hand, come on and
Take my, take my, take my, take my
Take my, take my, take my, take my
Take my, take my, take my, take my

So come on and take my hand, come and
Come on and take my hand, come on and
Come on and take my hand, come on and
Take my, take my, take my, take my
Take my, take my, take my, take my
Take my, take my, take my, take my

Take my, take my, take my, take my
Take my, take my, take my, take my
Take my, take my, take my, take my
Take my, take my, take my, take my
