

Round And Round

Stan Bush

Feels Like A Locomotion
Nothin' Can Make Such Commotion
It Reaches Way Down In Your Soul
Round And Round
Like A Little Bit Of Rock 'N' Roll
Feel The Beat Coming Down
Over And Over
Round And Round
Such A Crazy Sound
Over And Over
Nobody How It Started
Or Exactly From Where It Came
All They Can Say Is It's Here To Stay
And I Don't Have To Say It's Name
But It Keeps Going
Round And Round
Over And Over
Round And Round
Feel The Beat Coming Down
Over And Over
Such A Crazy Sound
Rock 'N' Roll
All Around The World
Every Boy And Girl
People Moving To The Music
They Can't Stop Jumpin'
Their Hearts Start Pumpin'
Feel The Beat Coming Down
Over And Over
Round And Round
Over And Over
Such A Crazy Sound
Round And Round
Round And Round
Feel The Beat Coming Down
Over And Over
Oh, Oh, Over And Over
Such A Crazy Sound
Ohh
Oh, Round And Round
