

# The Touch

Stan Bush

You got the touch, you got the power

After all is said and done, you've never walked  
You've never run, you're a winner  
You got the moves, you know the streets  
Break the rules, take the heat, you're nobody's fool

You're at your best when when the goin' gets rough  
You've been put to the test but it's never enough

You got the touch, you got the power  
When all hell's breakin' loose  
You'll be riding the eye of the storm

You got the heart, you got the motion  
You know that when things get too tough  
You got the touch

You never bend, you never break, you seem to know  
Just what it takes, you're a fighter, it's in the blood  
It's in the will, it's in the mighty hands of steel  
When you're standin' your ground

And you never get hit when your back's to the wall  
Gonna fight to the end and you're takin' it all

You got the touch, you got the power  
When all hell's breakin' loose  
You'll be riding the eye of the storm

You got the heart, you got the motion  
You know that when things get too tough  
You got the touch

You're fightin' fire with fire, you know you got the touch  
You're at your best when when the road gets rough  
You've been put to the test, but it's never enough

You got the touch, you got the power  
You got the touch, you got the power
