

## The Fez

Steely Dan

No I'm never gonna do it  
Without the fez on, oh no  
No I'm never gonna do it  
Without the fez on, oh no

That's what I am, please understand  
I wanna be your holy man

No I'm never gonna do it  
Without the fez on, oh no  
Ain't never gonna do it  
Without the fez on, oh no

That's what I am, please understand  
I wanna be your holy man

No I'm never gonna do it  
Without the fez on, oh no  
Don't make me do it  
Without the fez on, oh no

That's what I am, please understand  
I wanna be your holy man
