## **Your Gold Teeth**

**Steely Dan** 

Got a feeling I've been here before Watching as you cross the killing floor You know you'll have to pay it all You'll pay today or pay tomorrow

You fasten up your beaded gown Then you try to tie me down Do you work it out one by one Or played in combination

You throw out your gold teeth Do you see how they roll

I have seen your iron and your brass Can't you see it shine behind the glass Your fortune is your roving eye Your mouth and legs, your gift for the runaround

Torture is the main attraction I don't need that kind of action You don't have to dance for me I've seen your dance before

Do you throw out your gold teeth Do you see how they roll

Tobacco they grow in Peking In the year of the locust you'll see a sad thing Even Cathy Berberian knows There's one roulade she can't sing Dumb luck my friend Won't suck me in this time

Tobacco they grow in Peking In the year of the locust you'll see a sad thing Even Cathy Berberian knows There's one roulade she can't sing Dumb luck my friend Won't suck me in this time

Got a feeling I've been here before Won't you let me help you find the door All you got to do is use Your silver shoes, a gift for the runaround

Use your knack darlin' Take one step back darlin' There ain't nothing in Chicago For a monkey woman to do

Do you throw out your gold teeth Do you see how they roll
